Our Cross Country

Our cross country was held last Thursday, on what was definitely the best day weather wise in a very long time. It was a wonderful day for other reasons as well - we were lucky enough to witness some superb exhibitions of athleticism, & some inspiring displays of courage as children overcome their fears & anxieties.

When competing or participating in an individual event there is nowhere to hide, therefore we should all be extremely proud of our children for giving it their best.

Congratulations to the students listed below who will represent us tomorrow at the Northern Wairoa Cross Country being held on Ropes Farm - Te Kopuru.

Tayden Vuletich, Matyas Te'O, Max Smith, Cory Balks, Charlie Miller, Marlee Phillips, Rebecca Lowe, Kase Pulman, Briley Turner, Deacan Samuels, Jayden King, Frankie Pickering, Khloe McCully, Renae Mager, Jessica O'Connor.

Sickness

At the moment we have several different viruses circulating. Yesterday for example we ended up with over sixty students away due to illness.

One is a cold, which seems to begin as a runny nose, then progresses to the chest, resulting in coughing fits, sore heads, & lethargy. It seems to take about a week to clear for most people.

Another is a stomach complaint, resulting in cramping, vomiting & in some cases diarrhoea.

Also concerning is Strep throat, which is doing the rounds. If left untreated, strep throat can lead to kidney inflammation or rheumatic fever, a serious illness that can cause stroke and permanent damage to the heart.

Finally, our old enemy COVID is back again lurking around.

I would like to thank you all for showing great responsibility toward others by keeping your children home when they are unwell. It is greatly appreciated.

Can we please have

Cardboard inner tubes from Glad wrap, foil, baking paper etc.
No toilet rolls please.

Lateness

School starts at 8:45am, however there are a lot of students arriving late to school.
Parents, can you please support your child to arrive at school on-time, as it can be very disruptive for the class and the teacher when a students walks in late and has missed the first instructions for the day.

Plastic bottle tops

All clean plastic bottle tops, any size and colour please. Needed for art projects.
Please put in white Resene bucket in school foyer.
